Minecraft Creative has a variety of different options and settings for your game that will give you complete control over it. You can change almost everything about the world from the seed number to what biomes appear on your server. You can also choose weather, day length, time of day or create custom rules that will automatically apply certain environment settings and visual effects. The possibilities are endless but if you want to start playing with these options, you must have Forge installed.",

Minecraft mods can be downloaded from the internet, but the most common mods are available on many websites that allow you to download. There are a few Minecraft players who download mods for free, but most of these people are looking to get a scam or something in order to cheat their way to owning Minecraft. It is wise not to download any mods that you come across on forums, because you could end up with a virus or other malware on your computer. The best way to find out whether or not a mod is safe would be to check the creator's website. I have put together a list of some of the most popular sites that host mods for Minecraft. Gameplay",
